RESOLUTION NO. R8-2007-0038

State Fiscal Year (SFY) 2007-2008 State Revolving Fund (SRF) Loan Priority List
for the Santa Ana Region

WHEREAS:

1. Title VI of the Federal Clean Water Act and various state laws, including the Clean Water Bond Law of 1984, authorize the State Water Resources Control Board (SWRCB) to implement the State Revolving Fund and to adopt rules and regulations governing the making and enforcing of contracts with public agencies having authority to construct, operate and maintain treatment works.
2. Regulations adopted by the SWRCB require that the Regional Board recommend to the SWRCB each year a Priority List of projects, including wastewater treatment plants, nonpoint source projects, storm drainage projects, and estuary enhancement projects within Region 8 for each of the succeeding five fiscal years. Subsequently, the SWRCB, after a public hearing, will update the statewide Priority List for each of the succeeding five fiscal years.
3. After notice to all interested parties, this Regional Board conducted a public hearing on April 20, 2007 to consider all the evidence introduced at and prior to that hearing with regard to the Priority List.

THEREFORE, BE IT RESOLVED THAT:

1. The Santa Ana Region's SFY 2007-2008 SRF Loan Priority List, shown in Attachment "A" to this resolution, is adopted.
2. The Santa Ana Region's Priority List is recommended for inclusion by the State Water Resources Control Board in the statewide Priority List.
3. The Regional Board authorizes the Executive Officer to add other projects to the list of projects shown on Attachment "A" during the fiscal year, as necessary.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true and correct copy of a resolution adopted by the California Regional Water Quality Control Board, Santa Ana Region, on April 20, 2007.

ITEM: *9

SUBJECT: Santa Ana Regional Board's Priority List for State Revolving Fund Loan Program Projects for State Fiscal Year 2007-2008, Resolution No. R8-2007-0038

DISCUSSION:

The State Revolving Fund (SRF) loan program makes State and Federal money available for the construction of water quality improvement projects. The SRF program replaced the Federal Clean Water Grant program. The State Water Resources Control Board (State Board) administers this program through the development of a statewide Project Priority List. This list indicates when, over a five year period, applicants are eligible to receive loan funds for the planning, design and construction of projects such as sewage treatment plants, water recycling projects, nonpoint source pollution control projects, and estuary enhancement projects. Nonpoint source pollution control projects are storm drainage projects that include pollution abatement appurtenances, and not merely storm water conveyance facilities.

On January 25, 2007, the Santa Ana Regional Board staff received the Draft State Fiscal Year (SFY) 2007-2008 SRF Loan Program Priority List for the Santa Ana Region from the State Board, Division of Financial Assistance. The State Board has requested that the Regional Board review the draft list and adopt a regional list with any appropriate changes. The Regional Board's adopted list will be used to develop the statewide SFY 2007-2008 Priority List.

State regulations require that the Regional Boards solicit public comments before adopting a regional SRF list. Board staff solicited comments from interested parties and, based on these comments, proposes changes to the draft SFY 2007-2008 Priority List. A revised list for the Region is shown in Attachment "A" to the proposed Resolution No. R8-2007-0038. The revised list includes the deletion of four projects and the addition of one proposed project. These revisions are as follows:

CITY OF CORONA – DELETE PROJECT

Temescal Groundwater Desalter, Project No. 4461-210:

The City of Corona requests that this project be removed from the priority list since the project has already been completed.

ELSINORE VALLEY MUNICIPAL WATER DISTRICT (EVMWD) – DELETE PROJECT

Cottonwood Hills – Canyon Lake Reclamation System (Reclamation), Project No. 4311-110:

EVMWD requests that this project be removed from the priority list since a developer is constructing the project.

ELSINORE VALLEY MUNICIPAL WATER DISTRICT (EVMWD) – DELETE PROJECT

Railroad Canyon WWTP Aeration Blower Replacement, Project No. 4960-110:

EVMWD requests that this project be removed from the priority list since the project has already been completed.

ELSINORE VALLEY MUNICIPAL WATER DISTRICT (EVMWD) – DELETE PROJECT

Continental & Lighthouse Lift Station Upgrade and Expansion, Project No. 4961-110:

EVMWD requests that the above project be removed from the priority list since it is already under construction.

EASTERN MUNICIPAL WATER DISTRICT - ADD PROJECT

Olive Avenue Sewer Project:

Easter Municipal Water District requests that the above project be added to the priority list. The scheduled construction start date is estimated to be July 2007. Estimated project cost is \$18,000,000.

RECOMMENDATION:

Adopt Resolution No. R8-2007-0038, with the Santa Ana Region SFY 2007-2008 SRF Loan Priority List shown in Attachment "A".
